General Description of Mobile Banking Service Agreement

What Does This Agreement Cover

This Agreement between you and the BRIGHTON BANK governs the use of Mobile Banking services. These services permit BRIGHTON BANK customer/members (consumers, sole proprietors and other business customer/members) to perform a number of banking functions on accounts linked to the service through the use of a mobile device or mobile smart telephone, including some credit card accounts and investment accounts with our affiliates. Unless indicated otherwise by the context, "linked BRIGHTON BANK accounts" or "linked accounts" refers to all of your accounts with BRIGHTON BANK or its affiliates that you have linked to Mobile Banking solution.

Accepting the Agreement

When you use any of the Mobile Banking services described in this Agreement, or authorize others to use them, you agree to the terms and conditions of the entire Agreement.

Relation to Other Agreements

Your use of Mobile Banking services may also be affected by the agreements between us for your linked BRIGHTON BANK accounts. When you link an account to Mobile Banking service, you do not change the agreements you already have with us for that account. Similarly, when you use Mobile Banking services to access a credit account, you do so under the terms and conditions we gave you in the agreement and disclosure for the credit account. You should review those agreements for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might impact your use of an account with Mobile Banking services.

Description of Mobile Banking Services

Internal Account Transfers

THE SPECIFIC CAPABILITIES FOR THE BRIGHTON BANK NEED TO BE DEFINED BASED ON THEIR INTERNAL TRANSFER CAPABILITIES. BELOW IS A GENERIC DESCRIPTION OF TRANSFER SERVICES

- Processing of Transfer Requests
 - Transfers can be made in 2 ways, on a 1-time basis. One-time transfers may be immediate or scheduled for a future date. The recurring transfer feature may be used when a set amount is transferred at regular intervals. For example, a \$100 transfer from a checking to a savings account which occurs every 2 weeks.
 - One-time immediate transfers can be made from a linked BRIGHTON BANK checking, savings, money market, line of credit, credit card or brokerage account to most linked BRIGHTON BANK accounts.
 - Scheduled and recurring transfers can be made from a linked BRIGHTON BANK checking, savings, money market, or credit card account to a linked checking or savings account.
 - Scheduled and recurring transfers can be made between a linked MLPF&S investment account and a linked BRIGHTON BANK checking, savings or money market account.
 - Transfers can be made from a linked BRIGHTON BANK personal or sole proprietor checking, savings, money market or line of credit account to most personal or sole proprietor checking, savings, or money market accounts of other BRIGHTON BANK customer/members.
- Transfers from a deposit account (excluding investment accounts) are immediately reflected in the account's available balance. Transfers from a credit card or a line of credit account are immediately reflected in the account's available credit amount.

Scheduled and Recurring Transfers

- Transfers scheduled for a weekend or a non-bank business day will be processed on the prior bank business day. All other scheduled and recurring transfers will be processed from the funding account at the beginning of the business day requested.
- Transfers to Credit Accounts
 - Funds transferred as a payment to a credit card, line of credit, installment loan or mortgage account before 11:59 p.m. ET will be credited with the date the payment is submitted. Transfer payments submitted after 11:59 p.m. ET will be credited with the next day's date. Updates to account balances, funds availability, and transaction posting may take up to 2 bank business days.

- Transfers to Deposit Accounts
 - For customer/members having opened their deposit account in any state, funds transferred to that account (excluding transfers from a credit card) prior to 10:45 p.m. ET on a business day will appear with the same day's date in the deposit account transaction history.
 - Transfers to a BRIGHTON BANK checking account made after 10:45 p.m. as described above on a business day but before 11:59 p.m. as shown in the table below will be included in the balance we use to pay transactions that night. This process may impact when fees apply to your account. Credits can help you avoid overdrafts, returned items and related fees. However, debits may cause you to incur overdrafts, returned items and related fees. Please note that although these transfers are included in the balance we use to pay transactions that night, they will appear with our next business day's date in the deposit account transaction history.
 - Please note, transfers to any deposit account on a Saturday, Sunday or bank holiday, will appear with our next business day's date in the deposit account transaction history.
 - All transfers submitted to a deposit account (such as checking, savings, money market) are immediately reflected in the account's available balance.

- Scheduled transfers between linked BRIGHTON BANK accounts can be for any amount between \$0.01 and \$99,999.99.
- All transfer limits are subject to temporary reductions to protect the security of customer/member accounts and/or the transfer system.
- At the BRIGHTON BANK's discretion, we may refuse to process any transaction that exceeds any of the above limits. In this case, you are responsible for making alternate transfer arrangements.

Transfer/Payment Authorization and Sufficient Available Funds

- You authorize BRIGHTON BANK to withdraw, debit or charge the necessary funds from your designated account in order to complete all of your designated transfers and payments.
- You agree that you will instruct us to make a withdrawal only when a sufficient balance is or will be available in your accounts at the time of the withdrawal.
- The completion of a transfer or payment is subject to the availability of sufficient funds (including any overdraft protection plans) at the time the transaction is posted. If enough funds to complete the transfer or payment are not available, we may either (i) complete the transaction and overdraw the account or (ii) refuse to complete the transaction. In either case, we may charge a non-sufficient funds (NSF), returned item, overdraft, or similar fee. Please refer to the applicable account agreement and fee schedule for details. If you schedule a payment from an account maintained at another financial institution and there are insufficient funds in that account, you may be charged a fee by that financial institution.
- At our option, we may make a further attempt to issue the payment or process the transfer request.
- BRIGHTON BANK is under no obligation to inform you if it does not complete a payment or transfer because there are non-sufficient funds or credit in your account to process the

transaction. In this case, you are responsible for making alternate arrangements or rescheduling the payment or transfer.

Canceling Transfers and Payments

- **Bill Payments**

Participation By Payees

Occasionally a Payee may choose not to participate in Bill Pay, or may require additional information before accepting payments. We will work with these Payees to encourage them to accept an electronic or check payment from the Bank/credit union. If we are unsuccessful, or if we determine that the Payee cannot process payments in a timely manner, we may decline future payments to this Payee. In the unlikely event that this occurs, we will promptly send you a notice. Any obligations that you wish to pay through mobile Banking with Bill Pay must be payable in U.S. dollars to a Payee located in the United States. We reserve the right to restrict categories of Payees to whom payments may be made using the service. You should not use the service to make:

- Tax payments
- Court-ordered payments
- Payments to settle securities transactions

Canceling Your Online Banking

If you choose to cancel your Online Banking services, any unprocessed payments will be canceled. We recommend that you cancel any scheduled payments prior to notifying us that you are discontinuing the service. BRIGHTON BANK will cancel any scheduled payments within two (2) bank business days from the date we receive your request to discontinue the service. If you close your primary checking account, or if it's no longer linked to your service, your Online Banking service will end, and any unprocessed payments will be canceled. If you cancel your Online Banking services, Transfers Outside BRIGHTON BANK will also be canceled.

Joint Accounts

When your mobile Banking service is linked to one or more joint accounts, we may act on the verbal, written or electronic instructions of any authorized signer. Joint accounts using the same Online ID will be identified as one service.

Changes to Agreement

We may change this agreement at any time. For example, we may add, delete or amend terms or services. We will notify you of such changes by mail or electronic message. If you initiate any

transfer of funds or bill payment through your mobile Banking after the effective date of a change, you indicate your agreement to the change.

Cancellation

Your mobile Banking remain in effect until they are terminated by you or the CFI. You may cancel your service at any time by notifying us of your intent to cancel in writing, through mobile Banking secure mail, or by calling mobile Banking customer/member service at x.xxx.xxx.xxxx. This cancellation applies to your mobile Banking services, and does not terminate your BRIGHTON BANK deposit or credit accounts. We recommend that you cancel any scheduled payments prior to notifying us that you are discontinuing the service.

We may terminate your participation in mobile Banking services for any reason, including inactivity, at any time. We will try to notify you in advance, but we are not obliged to do so.

Use of External Email Address

With mobile Banking services we may send messages to your external email address and notify you that responses to your payment inquiries or customer/member service inquiries are available, or as otherwise described within the mobile Banking services. If you subscribe to e-Bills service, we may also use external email to notify you that you have new bills. We cannot act on instructions sent by you from an external email address. You should use mobile Banking secure mail to send instructions to the CFI. If, for any reason your external email address changes or becomes disabled, please contact the BRIGHTON BANK immediately so that we can continue to provide you with automated messages. You may notify us of any changes to your external email address through the Customer/member Service tab within your mobile Banking service.

Transfers From Money Market Deposit Accounts

Federal regulations and the deposit agreement impose limits on the number of certain types of withdrawals and transfers you can make each month from a savings and money market deposit account. You can make no more than a total of six (6) automatic or preauthorized transfers, telephone transfers, or mobile Banking transfers or payments from a savings or money market deposit account each monthly statement cycle (each month for savings accounts with a quarterly statement cycle). If checks or debit cards are allowed on the account, no more than three of the six (6) transfers may be made by debit card purchase, check or similar order. If you exceed these limits on more than an occasional basis, we convert your account to another type of account and your account may no longer earn interest.

Each transfer or payment through the mobile Banking services from your savings or money market deposit account is counted as one of the six limited transfers you are permitted each statement period. We recommend that you not use a savings or money market deposit account as your bill payment account because of these limits on transfers. Please review the deposit agreement for your account for more information.

Contact by BRIGHTON BANK or Affiliated Parties

No BRIGHTON BANK or Payee employee, nor any company affiliated with BRIGHTON BANK mobile will contact you via email or phone requesting your mobile ID or mobile passcode. If you are contacted by anyone requesting this information, please contact us immediately.

Reporting Unauthorized Transactions

For accounts:

If you are calling from outside of the continental U.S., call us collect at: 901-476-5353

Disclosure of Account Information

We may disclose information to third parties about you or your transactions in the following instances:

- When it's necessary for completing transfers or bill payments, or to investigate or resolve a problem related to a transfer or payment
- To verify the existence and condition of your account for a third party, such as a credit bureau or merchant
- To comply with a government agency or court orders, or in connection with fraud prevention or an investigation
- If you give us your permission
- With our affiliates as permitted under Federal and applicable state laws
- On a closed account, if we reasonably believe you have mishandled it

Account Statements

We report your mobile Banking transactions on the monthly statements for your linked accounts. A description of each transaction, including whom you paid, and the date and amount of the transaction will appear on your statement.

Limitation of Liability for Mobile Banking Transactions

Tell us at once if you believe your mobile Banking passcode has been compromised or if someone has transferred or may transfer money from your account without your permission. The best way to minimize your loss is to call us immediately. The unauthorized use of your mobile Banking services could cause you to lose all of your money in your accounts, plus any amount available under your overdraft protection plan.

You will have no liability for unauthorized transactions if you notify us within 60 days after the statement showing the transaction has been mailed to you (or 90 days if the transaction was from an account maintained at another financial institution). If you do not, you may not get back any of the money you lost from any unauthorized transaction that occurs after the close of the 60-day period (or 90 day period if the transaction was from an account maintained at another financial institution), if we can show that we could have stopped the transaction if you had notified us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we may extend the time periods.

When you give someone your mobile Banking ID and passcode, you are authorizing that person to use your service, and you are responsible for all transactions that person performs while using your service. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions. If you notify us that the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized.

Transactions that you or someone acting with you initiates with fraudulent intent are also authorized transactions.

For your protection, sign off after every mobile Banking session.

Our Liability for Failure to Complete Transactions

If we do not complete a transaction to or from your account on time, or in the correct amount according to our Agreement with you, we will be liable for your losses or damages. However, there are some exceptions. For instance, we will not be liable:

- If, through no fault of ours, you don't have enough available funds in your account (or available funds under your overdraft protection plan), or credit to cover the transaction or transfer
- If mobile Banking services weren't working properly, and you knew about the malfunction when you started the transaction or transfer
- If circumstances beyond our control (such as fire or flood) prevented the transaction or transfer, despite reasonable precautions we've taken
- If there are postal delays or processing delays by the Payee

There may be other exceptions not specifically mentioned.
